

FROM FRAME TO PAINT

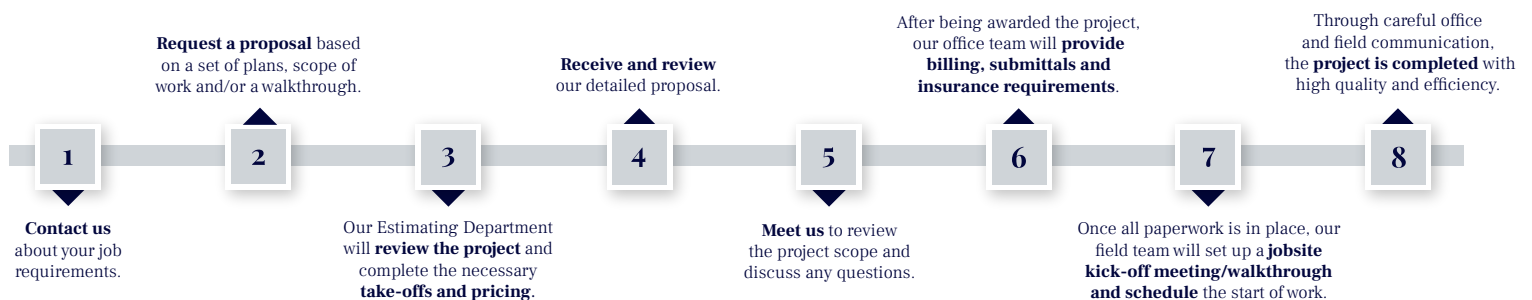

Maragos Painting LLC has long been recognized in the commercial construction industry for its ability to deliver with speed, quality and efficiency at a fair and competitive price. It is a reputation we worked hard for and one we are dedicated to maintaining as we continue to grow and expand our service offerings.

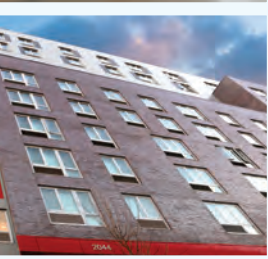

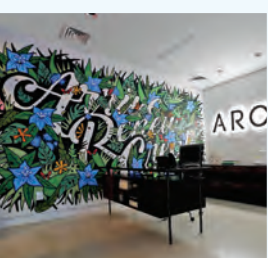

**For more than 50 years,
we have delivered on
our promise to be the
best at what we do.**

Maragos offers a wide range of services to the commercial contracting industry – literally from frame to paint. We also provide repaint solutions to property owners, management companies and general contractors. Whether the job entails professional painting, wall-coverings or fireproofing, we proudly execute all projects as if we are doing the work for our own families.

When you work with Maragos, you are assured a seamless and efficient experience. Our skilled, full-time staff is available to assist you, and each client is also paired with a highly qualified and knowledgeable project manager for the duration of the job.

It is our mission to be a **leading commercial contractor**, while upholding our family's reputation for **high-quality service**.
